HIGHER-SYMMETRIC ENGINEERED
ARTIFICIAL MATERIALS

To be filled in e-COST:

- Title
- Start and end date (within the active Grant Period);
- Budget requested by the applicant;
- Information about the host institution and contact person.

To be uploaded to e-COST:

- Application form (template available on e-COST) describing: Goals, description of the work to be carried out by the applicant, expected outcomes and description of the contribution to the Action MoU objectives;
- Confirmation of the host on the agreement from the host institution in receiving the applicant;
- Other documents required by the Action (e.g. recommendation letter, etc...)

Implementation of the Activity

Upon approval of the application, the Grantee receives a Grant Letter from the Grant Holder stating the approved amount and the conditions for receiving the grant.

The Grantee performs the tasks in line with the approved application.

Once the activity has ended, the grantee submits the required report (report to the Action MC on the work developed, main achievements of the STSM and planned future follow up activities) on e-COST within 30 days after the end date of the activity or 15 days after the end of the Grant Period, whichever comes first.

Funding Scheme

The grant scope is to provide a contribution for travelling, accommodation and subsistence expenses, implementation of the project, delivery of the report to the COST Action MC and overall effort.

The grant maximum amount is EUR 4 000,00. The grant depends on the duration and location of the STSM. Upon approval of the Grant, the Action MC can decide to lower the requested grant.
